North Texas SNAP's Mission

Create and support a variety of programs that assist individuals 17 and older living with intellectual and developmental disabilities in achieving and sustaining full lives, while providing a community where our members have a network that supports independence, choice and personal success.

Proceeds Benefit North Texas Special Needs Assistance Partners (SNAP)

Our members' unique needs and personal potential are guiding factors as we develop activities and programs to help them achieve the skills necessary to successfully succeed in society.

Funds raised from the North Texas SNAP Golf Classic will support North Texas Special Needs Assistance Partners (SNAP) programs and services including: Expanded Living Program, Girls' Night Out, J.O.B.S. Club, Men's Club, Project Neighbor, Social Activities, Transportation, Workforce Internship Program and Weekly Workshops.
